Modems: DSL broadband requires a modem which can be purchased as part of your connection and is yours to keep. If you have an existing modem you are responsible for re-configuring the modem to enable your DSL service to operate. We cannot guarantee that your existing modem will be compatible with our DSL service.

Data usage: *Both upload and download data is measured but only download data is chargeable (where applicable) or counts towards your Acceptable Usage Policy (AUP) limit.

Acceptable Usage Policy: Fair use policy applies. All services are shaped to 64kbps/64kbps at the usage levels indicated above. **2easy** Telecom reserves the right to take any action required to prevent use of this service for illegal purposes including piracy & copyright infringement.

Supply of Broadband Service and Charges: Once **2easy** Telecom has received acknowledgement of your line being DSL compatible, you will be charged the full set-up fee if applicable. If we cannot supply the service, you will not be charged. Upon confirmation of your line being DSL enabled, your service will be activated and monthly billing will commence. Future changes in speed, to your telephone line or to your address may incur additional charges.
